EXPERIENCE

The Tonight Show Starring Jimmy Fallon Control Room Intern, **NBCU**, New York, NY June 2025 – Aug. 2025

- Coordinated real-time timing cues with the director during 50+ live broadcasts, helping uphold tight production flow on NBC's flagship late-night show
- Supported pre- and post-production tasks: cueing video assets and updating producer's script
- Archiving footage with Frame.io, helping with clip logging, and labeling segments for future use.

Audio Video Media Technician, **NYU**, New York, NY

Sept. 2024 – Present

- Set up/troubleshoot AV systems across 15+ live events spaces, ensuring smooth performance for audiences of 100+
- Managed inbound calls and created service tickets via Zendesk for audio troubleshooting
- Installed, repaired, and maintained Crestron systems and audio equipment across 8 buildings

Audio Engineer and Media Management, **PragueCast**, Prague, Czech Republic

Jan. 2024 – May 2024

- Created a new theme song for both the intro and outro.
- Produced and engineered four podcast episodes, enhancing audio quality and listener experience.
- Launched and managed three new distribution platforms via Spotify for Podcasters, broadening audience reach.
- Boosted audience size by 57%, attracting 75 unique listeners through targeted social media ad campaigns.

Audio Engineer Intern, **EastSide Sound**, New York, NY

Sept. 2023 – Dec. 2023

- Mixed and recorded songs over 20 songs with analog equipment and hybrid mixing in Avid Pro Tools
- Operated and maintained Neve studio mixing consoles; calibrated tape machines.

LEADERSHIP ACTIVITIES

President, **NYU Mass Transit All Male Acapella Group**

Sept. 2024 – Present

Gig manager, **NYU Mass Transit All Male Acapella Group**

Sept. 2023 – Sept. 2024

- Spearheaded email communication and coordinated 10 off-campus performances
- Cultivated collaborations external Acappella groups, grew group's network across 7 schools

Treasurer, **NYU MTech Ambassadors**

Sept. 2023 – Sept. 2024

- Oversaw organization finances, including event expenses and institutional funding.
- Coordinated 8 events for the semester, featuring notable guests such as Ableton and Avid.
